1

Open the map

Scan the code, or go to
braddoestech.ca/halloween

2

Add the map to your home screen

iPhone: Share → Add to Home Screen. Android: ⋮ → Install app. iPhones need this for alerts.

3

Allow location (optional)

Shows houses near you and guides your walk. Stays on your phone.

Trick-or-treating?

Dots show who is open

Green: handing out treats. Amber: running low. Red: out. Grey: done for the night.

Plan your walk

Tap + Add on the houses you want, tap **Make my route**, then **Start walking**. Closed houses drop off your route.

Candy Alerts

Houses with lots of candy left. On the Alerts tab, tap Notify my phone to hear first.

Chat

Talk with neighbours. Need help? Type @BradDoesTech.

Keep your crew together

Home → Meet-up group shows everyone on the map and lets you drop a meet-up spot.

Is the map up to date?

The 🔄 next to the date shows the last update. If it turns amber ⚠️, tap it to refresh.

Handing out treats?

1

Add your house

Home → Add my house. About a minute.

2

Keep your private link

We email you the link. The link opens your house page.

3

On the night, tap how the candy is going

Handing out, Running low, Out or Done.

4

Lots left?

Tap Post a Candy Alert.

Door sign

Print one with a QR code from your house page.

Practice period: until a few days before Halloween, everyone can try the map. Practice houses, chat and groups are deleted before the night. **Hosts:** tick **Keep my house** when you add your house to keep it for Halloween night.

Just want the basics? Turn on **Basic mode** (Home → Quick settings, the last switch) for the map and route planning only. **Emergency? Call 911.**

Want step-by-step help? Open the **Full Guide (PDF)** from the Info page (the ⓘ at the top of the map).
